EDUCATION

B.S. in Computer Science

Lakeshore State University,
Chicago, IL

Expected May 2027 | GPA: 3.71

SKILLS

Python, PyTorch, scikit-learn,
SQL, Git, Docker, AWS, machine
learning, natural language
processing, pandas

EXPERIENCE

Machine Learning Intern | Northwind Analytics | Jun 2026 – Aug 2026

- Trained a gradient-boosted churn model in Python on 2M customer records, lifting recall by 9 points
- Built a PyTorch text classifier for support tickets and deployed it on AWS with Docker
- Wrote SQL pipelines that cut feature refresh time from 6 hours to 40 minutes

Undergraduate Research Assistant | Lakeshore NLP Lab | Sep 2025 – Present

- Fine-tuned transformer models for named entity recognition on clinical notes
- Maintained the lab's Git repository and evaluation scripts

PROJECTS

Course Review Summarizer

- Summarized 40k student reviews with natural language processing and a scikit-learn topic model
