

Aisha Rahman

CONTACT	aisha.rahman@example.com (555) 811-6604 Boston, MA
EDUCATION	B.S. in Chemical Engineering Bay State Institute of Technology, Boston, MA Expected May 2028 GPA: 3.93
EXPERIENCE	Process Development Intern Charles River Therapeutics Jun 2026 – Aug 2026 - Ran HPLC assays and documented results under GMP for a gene therapy program - Built a Python tool for process simulation of a tangential flow filtration step Research Assistant Bay State Institute of Technology Sep 2025 – Present - Simulated crystallizer kinetics in MATLAB and Aspen Plus
PROJECTS	Green Solvent Screening Screened 30 solvents for a greener extraction route
SKILLS	Python, MATLAB, GMP, HPLC, Aspen Plus, process simulation
