

Kenji Watanabe

CONTACT	kenji.watanabe@example.com (555) 254-9087 Wichita, KS
EDUCATION	B.S. in Aerospace Engineering Prairie Wind University, Wichita, KS May 2026 GPA: 3.05
EXPERIENCE	Flight Test Intern Heartland Aerostructures May 2025 – Aug 2025 - Built LabVIEW data acquisition for wing load tests - Post-processed strain data in MATLAB and compared it with ANSYS predictions Undergraduate Researcher Prairie Wind University Sep 2024 – May 2026 - Modeled a quadrotor control loop in Simulink
PROJECTS	Composite Wing Spar Designed a carbon spar in CATIA and tested it to failure
SKILLS	MATLAB, Simulink, CATIA, ANSYS, LabVIEW, Python
