

Daniel Okafor

EDUCATION

B.S. in Biomedical Engineering

Wabash River University, Indianapolis, IN
May 2026 | GPA: 3.31

EXPERIENCE

Manufacturing Science Intern | Crossroads Pharma | May 2025 – Aug 2025

- Followed good manufacturing practice while running cell culture and chromatography steps
- Revised standard operating procedures and led a root cause analysis on filter failures
- Trended yield data in MATLAB and Excel

Lab Technician | Wabash River University | Jan 2024 – Apr 2025

- Prepared media and maintained cell lines for a tissue engineering lab

PROJECTS

Perfusion Bioreactor Controller

- Built a MATLAB model of oxygen transfer in a perfusion bioreactor
