

Kenji Watanabe

EDUCATION

B.S. in Aerospace Engineering

Prairie Wind University, Wichita, KS

May 2026 | GPA: 3.05

EXPERIENCE

Flight Test Intern | Heartland Aerostructures | May 2025 – Aug 2025

- Built LabVIEW data acquisition for wing load tests
- Post-processed strain data in MATLAB and compared it with ANSYS predictions

Undergraduate Researcher | Prairie Wind University | Sep 2024 – May 2026

- Modeled a quadrotor control loop in Simulink

PROJECTS

Composite Wing Spar

- Designed a carbon spar in CATIA and tested it to failure
