

Wei Zhang

Profile

Computer Science student with hands-on experience in Python, C++ and PyTorch.

Work History

Computer Vision Research Intern, Brightfield

Robotics

May 2026 – Aug 2026

- Designed a PyTorch segmentation network that improved warehouse pick accuracy by 12%
- Optimized C++ inference code on Linux edge devices

Software Engineer, Kestrel Payments

Jul 2023 – Jul 2025

- Shipped payment reconciliation services and SQL reporting used by 300 merchants

Education

Allegheny Institute of Technology

Pittsburgh, PA

Master of Science, Computer Science

Expected May 2027

Cumulative GPA 3.88/4.00

Selected Projects

Sign Language Recognition

- Applied deep learning and computer vision to classify 50 signs in real time
