Education

**Prairie Wind
University** Wichita, KS
**Bachelor of Science,
Aerospace
Engineering** May 2026
Cumulative GPA 3.05/4.00

Skills & Certifications

Languages: MATLAB, Python
Design & Manufacturing: Simulink,
CATIA, ANSYS, LabVIEW

Profile

Aerospace Engineering graduate with hands-on experience in MATLAB, Simulink and CATIA.

Work History

Flight Test Intern, Heartland Aerostructures May 2025 – Aug 2025

- Built LabVIEW data acquisition for wing load tests
- Post-processed strain data in MATLAB and compared it with ANSYS predictions

**Undergraduate Researcher, Prairie Wind
University** Sep 2024 – May 2026

- Modeled a quadrotor control loop in Simulink

Selected Projects

Composite Wing Spar

- Designed a carbon spar in CATIA and tested it to failure
